Dear Participant:

The following is a notice describing recent changes to the Prescription Drug Benefits booklet of the Summary Plan Description (“SPD”) for the New York State Teamsters Council Health & Hospital Fund (“Fund” or “Plan”). You should keep this notice with your SPD for permanent reference.

Effective September 1, 2022, the Fund is approving coverage for the weight loss medication, Wegovy. You will need to meet the Express Scripts medical need criteria to be eligible for this drug.

In the section “**General Summary of Medications Not Covered by the Prescription Drug Program**” the following exclusion has been modified to reflect this change:

- **Anorexics or weight control medications – except for the weight loss drug Wegovy.**

If you have any questions, please contact the Fund Office at 315.455.9790.

Sincerely,

BOARD OF TRUSTEES
